If I were a cat, If I were a cat,  
I'd stretch and stretch, just like that,  
If I were a cat.

If I were a bird, if I were a bird,  
I'd flap my wings, start to sing,  
If I were a bird.

If I were a dog, if I were a dog,  
I'd dig a hole, bury my bowl,  
If I were a dog.

If I were a horse, if I were a horse,  
I'd gallop all day, eat some hay,  
If I were a horse.

### Chorus

But I'm me, and I'm free,  
And I'm happy as I can be.  
For you see, I am me,  
And there are lots of things for me to be.  
But I like to pretend other things I can be.

If I were the sun, if I were the sun,  
I'd shine real bright, with all my might,  
If I were the sun.

If I were the moon, if I were the moon,  
I'd be real bright, stay up all night,

If I were the moon.

If I were a star, if I were a star,  
I'd play in the sky, way up high,  
If I were a star.

If I were the wind, if I were the wind,  
I'd whoosh and whoosh,  
Tickle your chin,  
If I were the wind.

### Chorus

But I'm me, and I'm free,  
And I'm happy as I can be.  
For you see, I am me,  
And there are lots of things for me to be.  
But I like to pretend other things I can be.

If I were a cat, If I were a cat,  
I'd stretch and stretch, just like that,  
If I were a cat.
