If you smell smoke and you see a fire,
What's the number for emergencies?
If you smell smoke and you see a fire,
What's the number for emergencies?

Chorus

112 is the number to call.
112 is the number to call.
112 is the number to call, for emergencies.

If a friend gets sick and needs a doctor or nurse,
what's the number for emergencies?
If a friend gets sick and needs a doctor or nurse,
what's the number for emergencies?

If you get hurt and you need some help,
what's the number for emergencies?
If you get hurt and you need some help,
what's the number for emergencies?
