My best friend is a unicorn,
She goes everywhere with me.
My best friend is a unicorn,
We play and dance so free.
When other friends can't see her,
I smile and say to them,
Let your heart discern,
Your mind observe,
For somethings go unseen.

Chorus

You can't see love,
You feel it in your heart.
You can't see care,
You know it when it's there.
You can't see wind,
Still it tickles your chin.
You can see my friend,
If only you pretend.

My unicorn has a white coat,
A purple tail and mane,
Of course, she has one great horn,
In the middle of her head.
And should you still can see her,
I'll have to say again.
Let your heart discern,
Your mind observe,
For somethings go unseen.
