

# Lion Spoon Puppet

From: Mister Chuck's Workshop, Episode 110, Trip to the Zoo

## You Will Need...

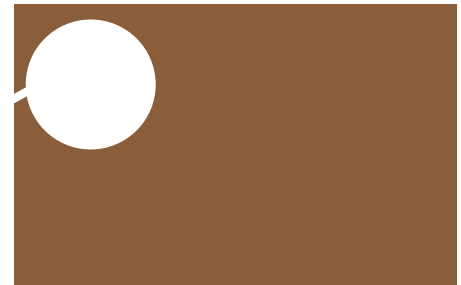

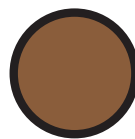

1. Using the marker, draw a nose, mouth, and whiskers on the backside of the plastic spoon.

2. Second, taking the glue, paste the googly eyes on the spoon.

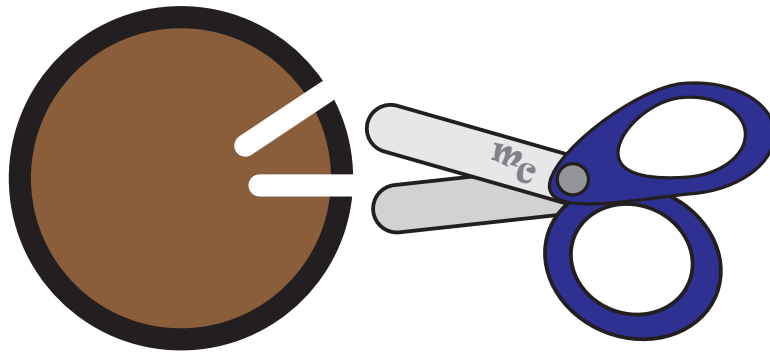

3. Next, draw a circle on the brown construction paper. Carefully, with the scissors, cut out the circle. **REMEMBER!** *Any time a child uses scissors, there must be an adult present.*

4. Fourth, with the scissors, fringe the edge of the circle.

5. Tape the fully fringed circle to the front of the spoon (which is the back of the puppet). This fringed circle is the lion's mane.

6. Finally, enjoy the lion spoon puppet.
